Welcome to Cougars Lacrosse. The Board members and Coaches are excited about the number of players we expect to see on the field for the 2012 season. Lacrosse is gaining in popularity within southern Nevada, and we are proud that the Cougars Lacrosse program has played a part in its growth. Let's keep that momentum going! We do understand there is a substantial investment and commitment involved with lacrosse, but it is our goal to make the sport we love accessible to everyone. Please feel free to contact the Head Coach, Team Manager, or Board Member if you have concerns about any of the registration information provided.

League play begins the first week of March and runs through mid-May, with championship games played prior to the Memorial Day holiday. The Team Manager will notify you of the game schedule.
