RE: Team Sponsorship – Henderson Lacrosse Club *DBA Cougars Lacrosse*

Cougars Lacrosse is a team of approx. 55 high school age boys who work hard six days a week perfecting their skills to play the sport they love. The Cougars are turning to our community and friends to help support our team. Your contributions will be used to help offset the cost of travel expenses. Our team has traveled out of state to participate in tournaments with great success. We hope to continue participating in these tournaments with the help of our friends in the community.

Your donation also allows us to help players who could not otherwise afford the equipment and travel expenses to play lacrosse. Our goal is to make lacrosse available to any student interested in playing.

Lacrosse is fastest growing sport in the nation, but is still in its infancy in southern Nevada. One of the original high school teams, the Cougars is in its eighth year as a club sport, and four years ago captured the State Championship Title. Although the Clark County School District has not yet recognized lacrosse as a high school sport, high school lacrosse is expanding throughout our community, in hopes of feeding into our state universities. Several former Cougars are currently playing lacrosse at UNLV and UNR..

We thank you in advance for your support of our team. Attached you will find the EIN number for the Las Vegas Lacrosse League for your tax deductible donations. If you have any questions, please do not hesitate to call. Thank you in advance for your donation.

Sincerely,

COUGARS LACROSSE
